**EFI SEE opening event  
21.XI.2012 – Varazdin, Croatia**

A woman with long brown hair, wearing a light blue button-down shirt, is shown in a thinking pose with her hand on her chin. A thought bubble above her head contains the text "Write a Speech in 5 minutes??".

Write a Speech  
in  
**5 minutes??**

A man in a grey suit and blue shirt is sitting in a chair, leaning back with his hands behind his head, looking relaxed. He is positioned behind a laptop on a desk. His feet, wearing colorful striped socks, are propped up on the desk.

It's an easy  
job
